1-To make a picture of the your current PROFILE at the moment, than the ones at the bottom
(ideal for your profile on FACEBOOK, TWITTER, INSTAGRAM, etc ...)

You just have to Download (green file)

2-Then please go SOFTWARE IN ENGLISH here;

<https://editeur.image.reseaumagickey.com/magickey/en/>

Simple and easy to use software for photo editing and it's free thanks to a collaborator
